

# *Friends of the Lyme Public Library*

The Book Nook is open! Please stop by and look at the new items on display. We will continue to update the collection weekly. We have a nice variety of Holiday Books for adults and children, both fiction and non-fiction.

There is also a crate of fiction paperback books that are free for you to enjoy! Stop by and find a good book to read on these cool autumn days or start your holiday shopping!

Thank you for your cooperation and continued support.
