

## *Friends of the Lyme Public Library*

The Book Nook is open! Please stop by and look at the new items on display, we have updated the collection. We have a nice variety of Knitting Books, new children's DVDs on sale 3 for \$5.00, and both fiction and non-fiction books. Stop by and find a good book to read on these hot summer days!

We are also happy to accept book donations at this time. Please remember that we want to preview your books before you deposit them in our Discover Bin. Also, a gentle reminder, the Discover Bin is for **books only**. We found the bin was stuffed with clothing this month... that prevents us from putting books inside. Please do not use our Discover Bin to discard clothing and other articles you need to recycle. Goodwill is always grateful for your clothing and other donations. Thank you for your cooperation and support.
